

**COPS Funding for Washington State**  
*as of April 2003*

As a member of the Senate Appropriations Committee, Senator Murray has worked to provide funding for new police officers throughout Washington State through the Community Oriented Policing Services (COPS) program. In 1994, Senator Murray voted for the historic Crime Act which created the program, and she has supported funding every year since.

This document shows how the funding Murray secured is helping communities throughout Washington State fight crime.

<b>Washington State Total</b>	
<u>Police Officers</u>	<u>Statewide Funding</u>
<b>1873.1</b>	<b>\$155,600,076</b>

Explanation: You will notice that some totals include decimal points. That's because some county police departments only requested a portion of a full-time officer's salary.

These totals are from 1/1/95 to 4/7/03.
